

Latin American  
**Intellectual Property**  
Network

“Creating an Intellectual Property Network as a platform for exchange and interaction, with a view to modernize the IP Management practices of Latin American (LA) Universities.”

[WWW.PILA-NETWORK.ORG](http://WWW.PILA-NETWORK.ORG)

PILA-Network is a project co-funded by the European Union in the framework of the ALFA III Programme.

## ACTIVITIES

### CONTEXT ANALYSIS

Training needs analysis and benchmarking of IP services at the universities

### TRAINING ACTIVITIES

Training of trainers, seminars, workshops, online training

### REGIONAL POLICY SUPPORT ACTIONS

Round tables, conferences, policy papers, innovation strategies

### NETWORK SERVICES

Helpline, personalised assistance in IP issues, information services, consulting

## EXPECTED RESULTS

- Institutionalized regional Network 'PILA' as a platform for dialogue on IP, comprising of HEIs, policy makers and innovation actors
- Enhanced capacities of Latin American HEIs management and research staff on IP issues
- Improved regional knowledge transfer and enhanced strategic thinking through targeted policy support actions and the development of policy recommendation papers
- Improved access to information and training service on the exploitation of research results and IP through the PILA web services
